Dear Nyos, Blado, Wagan and Wagan,  
we spent a wonderful week in  
villa Valisna. Thanks for the  
very tastefully food, that was the  
best we've ever had in Bali,  
for being so lovely in every way and  
the nice decoration.

We will come back as long as you  
will be here (and the pool-deck  
will be maintained 😊). Take care!

Dear Wayan, Made, Bongie, Ketut and Nyos,

You have made our stay in Villa Kalisha and our trip to Ubud truly amazing and memorable. You know the way to a man's heart is through the stomach, so Jimmi and my father have a lot of love for Made because of her excellent cooking! ☺ (Especially the barbecue). The villa and its surroundings are already amazing, but you've shown so much extra care on top of that by making sure there are always fresh flowers in the bathroom, the candles are lit outside at night etcetera. It hasn't gone unnoticed and is much appreciated. You - the staff - and Bongie the driver have all been exceptionally hospitable.

Thank you for everything!  
Wishing you all the best,

Ardesch family & Jimmi ☺

Dear Nyos, Made, Wayan and Dougie

Words cannot express the beauty of Villa Kalisha and your warm welcome, but I will try 😊. From the moment I set eyes on this magical place I was in love, the lush greenery, the peace and tranquility and your gentle presence providing us with everything we needed for a wonderful stay. I only wish I could stay longer.

The food was the finest we have eaten in Indonesia and Dougie is without a doubt the most lovely and entertaining driver we've ever met.

I wish you all many happy days here and I hope to come back soon.
